LUXEMBOURGISH  WITH ANNE

# Help Your Team Communicate Confidently in Luxembourgish

## Structured communication training for confident professional integration in Luxembourg

Luxembourgish with Anne provides structured Luxembourgish communication training that helps international employees participate confidently in workplace interactions and integrate naturally into their professional environment.

Employees don't just learn Luxembourgish, they use it naturally in meetings, conversations, and daily workplace interactions.

## Language as a Strategic Retention Factor

Supporting employees in developing practical Luxembourgish communication skills helps organisations:

strengthen employee belonging and engagement

support long-term retention of international talent

facilitate smoother workplace collaboration

enable employees to participate more fully in local professional and social environments

reinforce the organisation's commitment to integration and employee well-being

**Language training** is therefore not only a development initiative. **It is a strategic investment in stability, continuity, and organisational cohesion.**

## Why Organisations Choose Luxembourgish with Anne

Companies need more than language lessons. They need a reliable partner who understands professional realities and delivers visible results.

With Luxembourgish with Anne, your organisation benefits from:

- ⊗ Structured pathway with clear milestones
- ⊗ Measurable progress and transparent reporting
- ⊗ Speaking confidence from the start
- ⊗ Flexible delivery: online, on-site, hybrid
- ⊗ Stable, personally trained teaching team

Our programmes are designed to reduce hesitation, accelerate integration, and support employees in communicating with clarity and confidence.

# Powered by the **CONNECT™** Teaching Framework

A structured system combining guided speaking practice with professionally designed self-study. Employees develop real communication skills they can use immediately in professional contexts.

### Micro-benefits row:

- ⊗ Faster speaking activation
- ⊗ Reduced hesitation
- ⊗ Real-life communication
- ⊗ Sustainable progress toward B1

This blended approach leads to stronger retention, greater confidence, and measurable learning outcomes.

## Built for **Busy Professionals**

Corporate learners need structure that supports performance. Training is designed to fit naturally into professional life through:

- Clear weekly and manageable learning steps
- Confidence-building practice focused on real situations
- A consistent learning environment employees can rely on

Whether sessions take place online or on-site, the experience remains consistent, structured, and results-oriented.

## Designed for Real Workplace Communication

Employees learn to communicate. Training focuses on practical professional situations such as:

- ⊗ participating in workplace conversations
- ⊗ interacting with colleagues and clients
- ⊗ integrating into Luxembourgish workplace culture
- ⊗ expressing ideas clearly and naturally

## Reliable Quality Through a Stable Teaching Team

Since 2021, Luxembourgish with Anne has built and personally trained a dedicated teaching team who work long-term within the programme. This ensures :

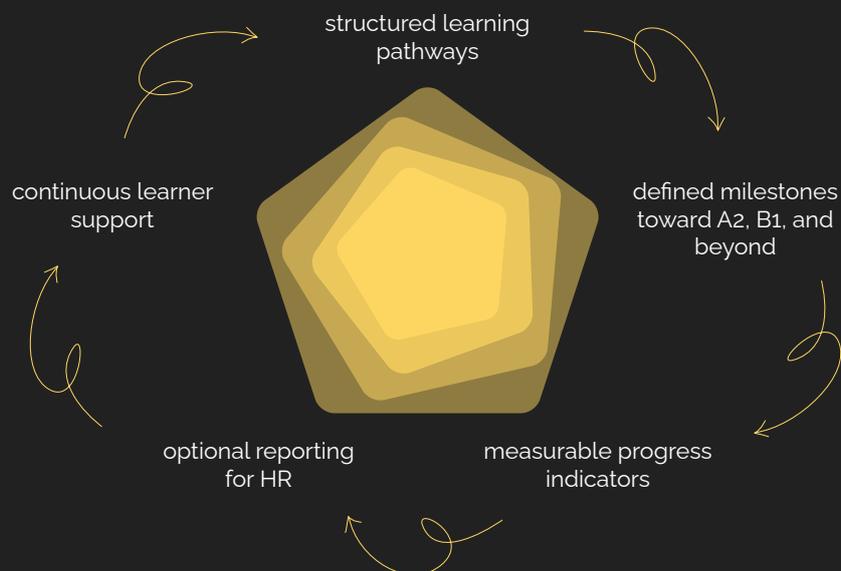

- ⊗ continuity for learners
- ⊗ consistent teaching standards
- ⊗ reliable methodology
- ⊗ stable learning relationships

This means Luxembourgish with Anne is a dependable partner who supports employees throughout their learning journey.

## Clear Path to Measurable Results

Organisations need visibility and structure when investing in training.

Employees progress confidently from beginner or A1/A2 level toward strong workplace communication and B1 readiness.
